Category _____

Contact Name & Phone Number _____

Project Name _____

Project description/materials used:

**Thank you in advance for your participation in this Keep
Lovington Beautiful Event.**

This is a creative way to help others learn to recycle and reuse everyday items, by trying something new... Lovington lacks the big City recycle facilities, so we are trying to reach out in creative ways to help reduce the waste in our County Landfill.

For great ideas and creative ways to get your project started use google or Pinterest, simply search recycled projects or recycled art.
