RESOLUTION OF THE CITY OF LOVINGTON  
LEA COUNTY, NEW MEXICO

RESOLUTION 2015-60

A RESOLUTION APPROVING THE PUBLISHING OF A CITYWIDE ADA TRANSITION PLAN AND OBTAIN PUBLIC  
INPUT

WHEREAS, the Americans with Disabilities Act (ADA) of 1990 is a Federal Civil Rights Legislation which mandates non-discrimination to persons with disabilities; and

WHEREAS, the adoption and implementation of an ADA Transition Plan is required for the City to be eligible for reimbursement from and application to State and Federal transportation grants; and

WHEREAS, the City has developed a draft Transition Plan by conducting and evaluation of the accessibility by persons with disabilities on its roads and highways, identified issues of accessibility that need to be addressed, and creating program, policy, and ordinance changes to make ADA improvements on the City's roads and highways; and

WHEREAS, a plan of this type requires public review and input for twenty-eight (28) days prior to adoption by the Lovington City Commission.

NOW, THEREFORE, BE IT RESOLVED that the City Commission directs the City Manager to:

1. Publish a public notice in the Lovington Leader informing the public that a draft is available for review and comments will be accepted at City Hall.
2. Publish a notice on the City website that a draft is available for review and comments will be accepted at City Hall.
3. Provide a public notice and copy of the plan at the Lovington Public Library.
4. Schedule a public hearing time during the July 6<sup>th</sup> and 20<sup>th</sup> regular City Commission meetings so that comments may be heard by the City Commission prior to adoption at the July 20<sup>th</sup>, 2015 meeting.

DONE THIS 22<sup>ND</sup> DAY OF JUNE, 2015.

ATTEST:

  
Carol Ann Hogue, City Clerk

  
Scotty Gandy, Mayor

**RESOLUTION OF THE CITY OF LOVINGTON  
LEA COUNTY, NEW MEXICO**

**RESOLUTION 2015-64**

**A RESOLUTION ADOPTING A CITYWIDE ADA TRANSITION PLAN**

**WHEREAS**, the Americans with Disabilities Act (ADA) of 1990 is a Federal Civil Rights Legislation which mandates non-discrimination to persons with disabilities; and

**WHEREAS**, the adoption and implementation of an ADA Transition Plan is required for the City to be eligible for reimbursement from and application to State and Federal transportation grants; and

**WHEREAS**, the City believes that implementing an ADA Transition Plan will improve the quality of life and enjoyment of our community by our citizens and visitors; and

**WHEREAS**, the City has developed a Transition Plan by conducting an evaluation of the accessibility by persons with disabilities on its roads and highways, identified issues of accessibility that need to be addressed, and creating program, policy, and ordinance changes to make ADA improvements on the City's roads and highways; and

**WHEREAS**, public review and input regarding this plan has been received by the Lovington City Commission.

**NOW, THEREFORE, BE IT RESOLVED** that the City Commission adopts the 2015 ADA Transition Plan for the City of Lovington and directs City staff to begin utilizing the strategies identified within the document.

**DONE THIS 10<sup>TH</sup> DAY OF AUGUST, 2015.**

## NOTICE UNDER THE AMERICANS WITH DISABILITIES ACT

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 (“ADA”), The City of Lovington will not discriminate against qualified individuals with disabilities on the basis of disability in its service, programs, or activities.

**Employment:** The City of Lovington does not discriminate on basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the ADA.

**Effective Communication:** The City of Lovington will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the City of Lovington’s programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

**Modifications to Policies and Procedures:** The City of Lovington will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcome in City of Lovington offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of the City of Lovington, should contact the office of the City Clerk, Shannon Lester, 575-396-9305, [slester@lovington.org](mailto:slester@lovington.org) or City Assistant Cassidy Carrasco, [ccarrasco@lovington.org](mailto:ccarrasco@lovington.org) as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the City of Lovington to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

**Complaints** that a program, services, or activity of the City of Lovington is not accessible to persons with disabilities should be directed to the ADA Coordinator, Crystal R Ball, CFM, CZO, 575-396-9301, [cball@lovington.org](mailto:cball@lovington.org).

The City of Lovington will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modification of policy, such as retrieving items from locations that are open to the public but are not accessible to a persons who use wheelchairs.

## AMERICAN WITH DISABILITIES ACT

### TRANSITION PLAN

#### I. BACKGROUND

The American with Disabilities Act (ADA) of 1990 is a Federal Civil Rights Legislation which mandates non-discrimination to persons with disabilities. The ADA, Title II prohibits discrimination by public entities on the basis of disability. Therefore, it is important that the City of Lovington complies with all applicable laws and regulations, including those protecting persons with disabilities.

In order to accomplish this, the City of Lovington developed a Transition Plan by conducting a self-evaluation of the accessibility by persons with disabilities on its Roads and Highways; identifying issues of accessibility that need to be addressed; upgrading its program for improvement of those facilities and comply with ADA mandated standards. The City of Lovington will progressively remove physical barriers to accessibility when facilities adjacent to its Roads and Highways cannot ensure access to persons with disabilities.

Realizing that geometric, infrastructure and structural changes will take time and money to upgrade the existing facilities, the City of Lovington Transition Plan includes provisions to include specifications on all upcoming design projects, to comply with ADA requirements.

The ADA regulations further require the Transition Plan to contain the following elements:

- A list of physical barriers in the public entity's facilities that limit accessibility of its programs, services, or activities to individuals with disabilities;
- A detail description of the methods to be utilized to remove these barriers and make the facilities accessible;
- The schedule for taking the necessary steps to achieve compliance with Title II;
- The name of the official responsible for the plan's implementation;
- A schedule for providing ADA compliance pedestrian facilities, where pedestrian walkways cross the streets.

The City of Lovington currently references the NMDOT standards that conform to ADA laws. These standards are published under the NMDOT's Standard Drawings for Pedestrian Access Details for Curb Ramps, Types A through D; Median Curb Details, Pedestrian Islands, Driveways and Driveway Aprons, Stairway and Handrail requirements, Accessible Parking, Passenger loading bus stop and ramp requirements; all aided by a Detectable Warning Surface where applicable.

The City of Lovington routinely sends plans and specifications to the NMDOT and the Governor's Commission on Disability Office for review and approval prior to letting projects. This allows comments and corrections to be made to ensure all ADA requirements are being met to the best of the City's ability.

## **II. ADA PROGRAM**

### **A. Responsible Official**

A Disability Program Coordinator has been designated by the City of Lovington as the person responsible for the development and implementation of the City of Lovington ADA Transition Plan.

### **B. Internal Review**

In June 2015, the City of Lovington conducted an inventory of the facilities along its Roads and Highways. The City of Lovington is committed to upgrade and implement ADA regulations. The City will annually review the City of Lovington fiscal allocation for ADA improvements to improve facilities that present physical barriers or to implement ADA regulations in new projects.

### **C. Self-Evaluation**

As required by ADA legislation, the City of Lovington has conducted a self-evaluation survey of all facilities within its jurisdiction in June 2015; identifying any physical barriers to ensure their accessibility to persons with disabilities. An Action Plan was subsequently completed by the City of Lovington, listing specific upcoming projects and/or facilities modifications needed. The target dates by which the City of Lovington will make the necessary changes will be consistent to those projects listed in the STIP.

### **D. Public Input**

The City of Lovington placed a copies of the Draft Transition Plan at City Hall, 214 S. Love Street, Lovington, NM 88260, the Public Library located at 119 S. Love Street, Lovington, NM 88260 and on the City website at [www.lovington.org](http://www.lovington.org) to be reviewed and receive comments from the public. The City conducted public hearings on July 6, 2015 and July 27, 2015 at the City Commission Chambers, 214 S. Love Street, Lovington, NM 88260 to solicit public input. Public notice of the Transition Plan being available for review and comments was posted in the Lovington Leader on June 18, 2015.

## **III. TRANSITION PLAN**

### **A. Prioritization**

The City of Lovington has the responsibility of identifying barriers and implementing a corrective program. The City of Lovington current inventory shows approximately 649 ramps that meet the current ADA requirements.

The City of Lovington has experienced limited funding and opted to prioritize upgrading of those existing Ramps according to a criterion set forth during the evaluation. This Criteria is as follows:

1. **“High”** priority
  - a. Funded Projects and projects to be funded within the next 5-10 years.
  - b. Intersections along Arterial roadways
  - c. Intersections near public facilities
    - i. Intersections within a 500’ radius of schools / colleges / City Facilities / Apartment Complexes
2. **“Medium”** priority
  - a. Collector Roadways / high density residential area (note: we will not do this currently)
3. **“Low”** priority
  - a. Low Priority Areas
    - i. No curb and gutter
    - ii. No sidewalk
    - iii. Low density residential areas

Additional criteria were utilized to identify the intersections and areas requiring improvement as specified in Appendix B – Project Tables. Projects were first classified as current principal arterial, minor arterial, and collectors, as well as additional future classifications as specified in the 2015 City of Lovington Comprehensive Plan. Projects were then given a high priority based on their access to public facilities. Medium designations were assigned to other collector roads and low designations were given to roadways that had no existing curb and gutter.

The median/low projects will be complete as money becomes available. The proposed funding and timeline for available funding is shown in the Construction Projects Schedule tables.

## **B. Facility Classification**

Access to and utilization of the City of Lovington facilities by individuals with disabilities is frequently compromised by barriers described below. Barrier descriptions are not necessarily complete, but they represent the type of barriers identified by the City of Lovington during our site survey. In general, the City of Lovington Road and Highway system provide traveling routes in which local and the traveling public visit public buildings and other services. Sidewalks are the pedestrian travel way, and are frequently obstructed by protruding barriers. Therefore, pedestrian destination from transportation facilities is interrupted, and sometimes it is not accessible. Accessible Ramps are absent or do not meet the current requirements. The following facility classification was notorious during the City’s field survey,

1. Parking Facilities and Street Parking lack accessible areas where a disabled person can merge into and out of the pedestrian facilities. Signage is missing or non-existing.
2. Stairs and Handrails do not meet the shape and height requirements. Visual warnings are not provided at tread nosing.

3. Fire Hydrants are often built within 36 inches from the back of the Curb and Gutter. If pedestrian facilities exist and comply with ADA regulations, often the presence of Fire Hydrants and other obstructions makes these facilities noncompliant.
4. Trees were found on the middle of the sidewalk. Prior to landscaping, pedestrian facilities were in compliance. Although landscaping projects provide beautification to the area, the tree planting location provided an obstruction to persons with disabilities.
5. Curb Drop Inlets were found at different intersection quadrants. Upgrading those facilities located where drop inlets were found; may require structural considerations and utility relocation that can only be determine in the future.
6. Street Median Refuge and/or Pedestrian Crossing Refuge Island have not been provided in the past and may be required; this may be determined as deemed necessary in the future.
7. Utility Poles are often placed near intersection or within sidewalks on roadways with restricted right of way. Often the clearance from back of curb to the utility poles is less than 36 inches.

**C. Inventory**

Table 1, depicts the Total number of existing quadrants within each district and the priority count for --- Collector / Arterial / Public Facility Access.

**TABLE 1**

<b>COL District #</b>	<b>Number of Intersection Quadrants</b>	<b>High</b>	<b>Medium</b>	<b>Low</b>
<b>1</b>	456	73	27	25
<b>2</b>	425	30	52	9
<b>3</b>	287	16	32	7
<b>4</b>	173	2	12	1
<b>5</b>	286	49	31	28

**D. Targeted Barrier Removal Projects**

The top priority of the City’s Transition Plan is to make the City’s existing facilities accessible. All projects will have to comply with all applicable laws and regulations, including those protecting persons with disabilities.

When appropriate, the City of Lovington will replace existing facilities by reconstructing new ones, bringing them into compliance.

The City of Lovington is responsible for the City’s Transition Plan within the Public Right-of-Way. Most of the problems within the Right-of-Way concern physical barriers that cannot be addressed through other options such as Policy Changes or alternative methods. Therefore, the Public Right-of-Way can only be made accessible via a realistic and fundable strategy for Curb and Gutter Modifications, Wheelchair Ramp construction and some sidewalk modifications.

#### IV. STRATEGY

The following strategy is recommended to assist the City of Lovington in meeting ADA requirements,

##### A. Annual Concrete Contract

The City of Lovington contracts for installation of new ramps on an annual basis, via its Maintenance Program utilizing the lowest received bid on Price Agreement Projects.

##### B. Sidewalk Repair / Replacement Policy

The City of Lovington has a Sidewalk Repair Policy that shares the cost to replace sidewalk and/or install new sidewalk and ADA ramps in front of residential houses. New subdivisions are required to construct sidewalk and ADA ramps at the time of initial construction.

##### C. Utilities

Whenever a utility relocation, construction or alteration occurs and there is removal of sidewalk, the City ensures that ADA requirements are implemented at the time of replacement.

##### D. City Infrastructure Project (Roadway / Drainage)

The City creates individual projects based on funding availability. When a street reconstruction project is underway, the City ensures that ADA ramps are installed at street intersections within the project area.

##### E. New Development and Substantial Improvements

The City of Lovington will permit new residential and commercial improvements and review plans for ADA compliance along with ensuring appropriate curb cuts are built to comply with ADA standards.

#### V. FUNDING

The City will commit, upon fund availability, funding for City of Lovington maintenance projects of its annual allocation, towards ADA compliance projects. In addition, developer impacts on the Public's Right-of-Way will be required to further enhance pedestrian facilities.

The assessment of the projects identified in Appendix B determined an overall estimated cost of \$8.23 million for the installation of ramps, sidewalks, curb and gutter. Table 2 provides a summary of the estimated costs.

**TABLE 2**

<b>ESTIMATED TOTAL TRANSITION COST</b>	<b>\$ 13,489,139.37</b>
Local High Priority	\$ 4,169,227.30
State Roadway High Priority	\$ 1,348,576.89
Local Medium Priority	\$ 4,146,997.22
Local Low Priority	\$ 3,824,337.96

Table 3 provides a summary of projects identified by district by priority as well as estimated costs for State managed roadways.

**TABLE 3**

District	Local High Priority	State Managed High Priority	Local Medium Priority	Local Low Priority	Total by District
1	\$2,194,989.81	\$420,974.48	\$896,379.97	\$872,766.35	\$4,385,110.60
2	\$371,408.98	\$91,313.91	\$991,618.41	\$-	\$1,454,341.31
3	\$273,786.47	\$161,624.22	\$597,667.28	\$-	\$1,033,077.97
4	\$-	\$102,710.62	\$303,305.55	\$-	\$406,016.17
5	\$1,329,042.04	\$571,953.66	\$1,358,026.01	\$2,951,571.61	\$6,210,593.31
<b>Total by Priority</b>	\$4,169,227.30	\$1,348,576.89	\$4,146,997.22	\$3,824,337.96	

Current Fiscal Year 2015 – 2016 revenue projections for the street fund are estimated at \$315,000. A portion of these funds can be utilized for these improvements in addition to other street maintenance and repair. As previously specified, the costs for ADA improvements will be factored in to each major roadway construction project in the future. It is expected that roadways designated as “State Managed” will be brought in to full compliance with ADA requirements and NMDOT will be held to the same standard as the City of Lovington.

**VI. CONSTRUCTION PROJECTS SCHEDULE**

Table 4 lists those NMDOT funded projects that will be considered to increase the ADA compliance within the City.

**TABLE 4**

CN	Temini	Funding Source			
		FY	LGRF	GRIP II	STIP

# Appendix A

## ADA Grievance Procedure

# ADA Grievance Procedures

## Introduction

The ADA states that a public entity is required to apprise the public of the protections against discrimination afforded to them by Title II of the ADA, including information about how Title II requirements apply to its particular programs, services and activities [28 C.F.R. § 35.106]. A public entity also is required to provide an opportunity for interested persons, including individuals with disabilities or organizations representing individuals with disabilities, to participate in the development of policies and procedures that affect the implementation of an ADA transition plan by submitting comments and making specific recommendations.

A public entity that employs 50 or more persons is required by the ADA to adopt and publish grievance procedures providing for prompt and equitable resolution of complaints or grievances alleging any action that would be prohibited by Title II of the ADA. The City's grievance procedure is described below. Any person with a disability or any parent or guardian who represents a minor person with a disability, who believes that they have been the subject of disability-related discrimination on the basis of the denial of access to facilities, programs or services, may file a grievance or complaint.

## Grievance Procedures and Instructions

### *Step 1: File a Grievance Form*

The complainant should fill out the ADA Complaint / Grievance Form shown below, giving all of the information requested. The ADA Complaint / Grievance Form should be filed in writing with the ADA Program Access Coordinator within 60 days of the alleged disability-related discrimination. Upon request, reasonable accommodations will be provided in completing the form, or alternative formats of the form will be provided. The ADA Complaint / Grievance Procedure and Form may be obtained from and sent to the City of Lovington, ADA Coordinator, 214 South Love Street, Lovington, NM 88260, Telephone: (575) 396-2884, Fax: (575) 396-6328, E-mail: [planner@lovington.org](mailto:planner@lovington.org).

### *Step 2: An Investigation is Conducted*

A notice of receipt shall be mailed to the complainant by registered mail within five days of the receipt of the complaint or grievance, and the ADA Coordinator or another authorized representative shall begin an investigation into the merits of the complaint within 60 days. If necessary, the ADA Program or another authorized representative may contact the complainant directly to obtain additional facts or documentation relevant to the grievance. If the complainant alleges misconduct on the part of the ADA Coordinator, another authorized representative may be appointed by the City Manager to undertake the investigation if the allegations can be substantiated. If the complainant does not wish to be contacted personally, he/she should indicate it on the ADA Complaint / Grievance Form.

After the grievance is received, the complaint shall be brought before the ADA Oversight Committee, chaired by the ADA Coordinator.

### *Step 3: A Written Decision is Prepared and Forwarded to the Complainant*

The ADA Program Access Coordinator shall prepare a written decision, after full consideration of the grievance merits, no later than 75 days following the receipt of the grievance. If the complaint alleges

misconduct on the part of the ADA Program Access Coordinator, another authorized representative may be appointed by the City Engineer to prepare the written decision if the allegations can be substantiated. A copy of the written decision shall be mailed to the complainant by registered mail no later than five days after preparation of the written decision.

*Step 4: A Complainant May Appeal the Decision*

If the complainant is dissatisfied with the written decision, the complainant may file a written appeal with the City Engineer no later than 30 days from the date that the decision was mailed. The appeal must contain a statement of the reasons why the complainant is dissatisfied with the written decision, and must be signed by the complainant, or by someone authorized to sign on the complainant's behalf. A notice of receipt shall be mailed to the complainant by registered mail within five days of the receipt of the appeal. The appeal reviewers, consisting of the ADA Coordinator the Public Works Director and other members of the ADA Oversight Committee, shall act upon the appeal no later than 60 days after receipt, and a copy of the appeal reviewers' written decision shall be mailed to the complainant by registered mail no later than five days after preparation of the decision. The decision of the appeal reviewer shall be final.

The ADA Coordinator, the Public Works Director and other members of the ADA Oversight Committee shall maintain the confidentiality of all files and records relating to grievances filed, unless disclosure is authorized or required by law. Any retaliation, coercion, intimidation, threat, interference or harassment for the filing of a grievance, or used to restrain a complainant from filing, is prohibited and should be reported immediately to the ADA Coordinator or other members of the Oversight Committee depending on the case.

## Appendix E

### Ramp Construction Estimates

**Engineer's Estimate**

Date: June 22, 2015  
 Prepared By: Jonathan Carey, EI

**Type "D" Ramp**

ITEM	ITEM DESCRIPTION	UNIT	UNIT PRICE	USE QUANTITY	AMOUNT TO DATE
1	TYPE "D" HANDICAP RAMP	EACH	\$3,150.00	1	\$3,150.00
2	DETECTABLE WARNING SURFACE COMPLETE IN PLACE	SQ. FT.	\$35.00	11	\$385.00
3	6" CONCRETE FILLET WITH REBAR COMPLETE IN PLACE	SQ. YD.	\$78.00	25	\$1,950.00
4	HOT THERMOPLASTIC PAVEMENT MARKINGS 12"	LIN. FT.	\$15.00	130	\$1,950.00
5	6" x 24" CURB AND GUTTER, COMPLETE IN PLACE	LIN. FT.	\$19.00	40	\$760.00
<b>Estimated Cost of Improvements- Sub-total Base Bid</b>					<b>\$8,195.00</b>
Subtotal					\$8,195.00
New Mexico Gross Receipts Tax (6.8125%)					\$558.28
<b>Total Estimated Cost for Type "D" Ramp</b>					<b>\$8,753.28</b>

**Type "E" Ramp**

ITEM	ITEM DESCRIPTION	UNIT	UNIT PRICE	USE QUANTITY	AMOUNT TO DATE
1	TYPE "E" HANDICAP RAMP	EACH	\$2,800.00	1	\$2,800.00
2	DETECTABLE WARNING SURFACE COMPLETE IN PLACE	SQ. FT.	\$35.00	18	\$630.00
3	6" CONCRETE FILLET WITH REBAR COMPLETE IN PLACE	SQ. YD.	\$78.00	25	\$1,950.00
4	HOT THERMOPLASTIC PAVEMENT MARKINGS 12"	LIN. FT.	\$15.00	130	\$1,950.00
5	6" x 24" CURB AND GUTTER, COMPLETE IN PLACE	LIN. FT.	\$19.00	40	\$760.00
<b>Estimated Cost of Improvements- Sub-total Base Bid</b>					<b>\$8,090.00</b>
Subtotal					\$8,090.00
New Mexico Gross Receipts Tax (6.8125%)					\$551.13
<b>Total Estimated Cost for Type "E" Ramp</b>					<b>\$8,641.13</b>

**Type "D" Ramp - Without Curb & Gutter**

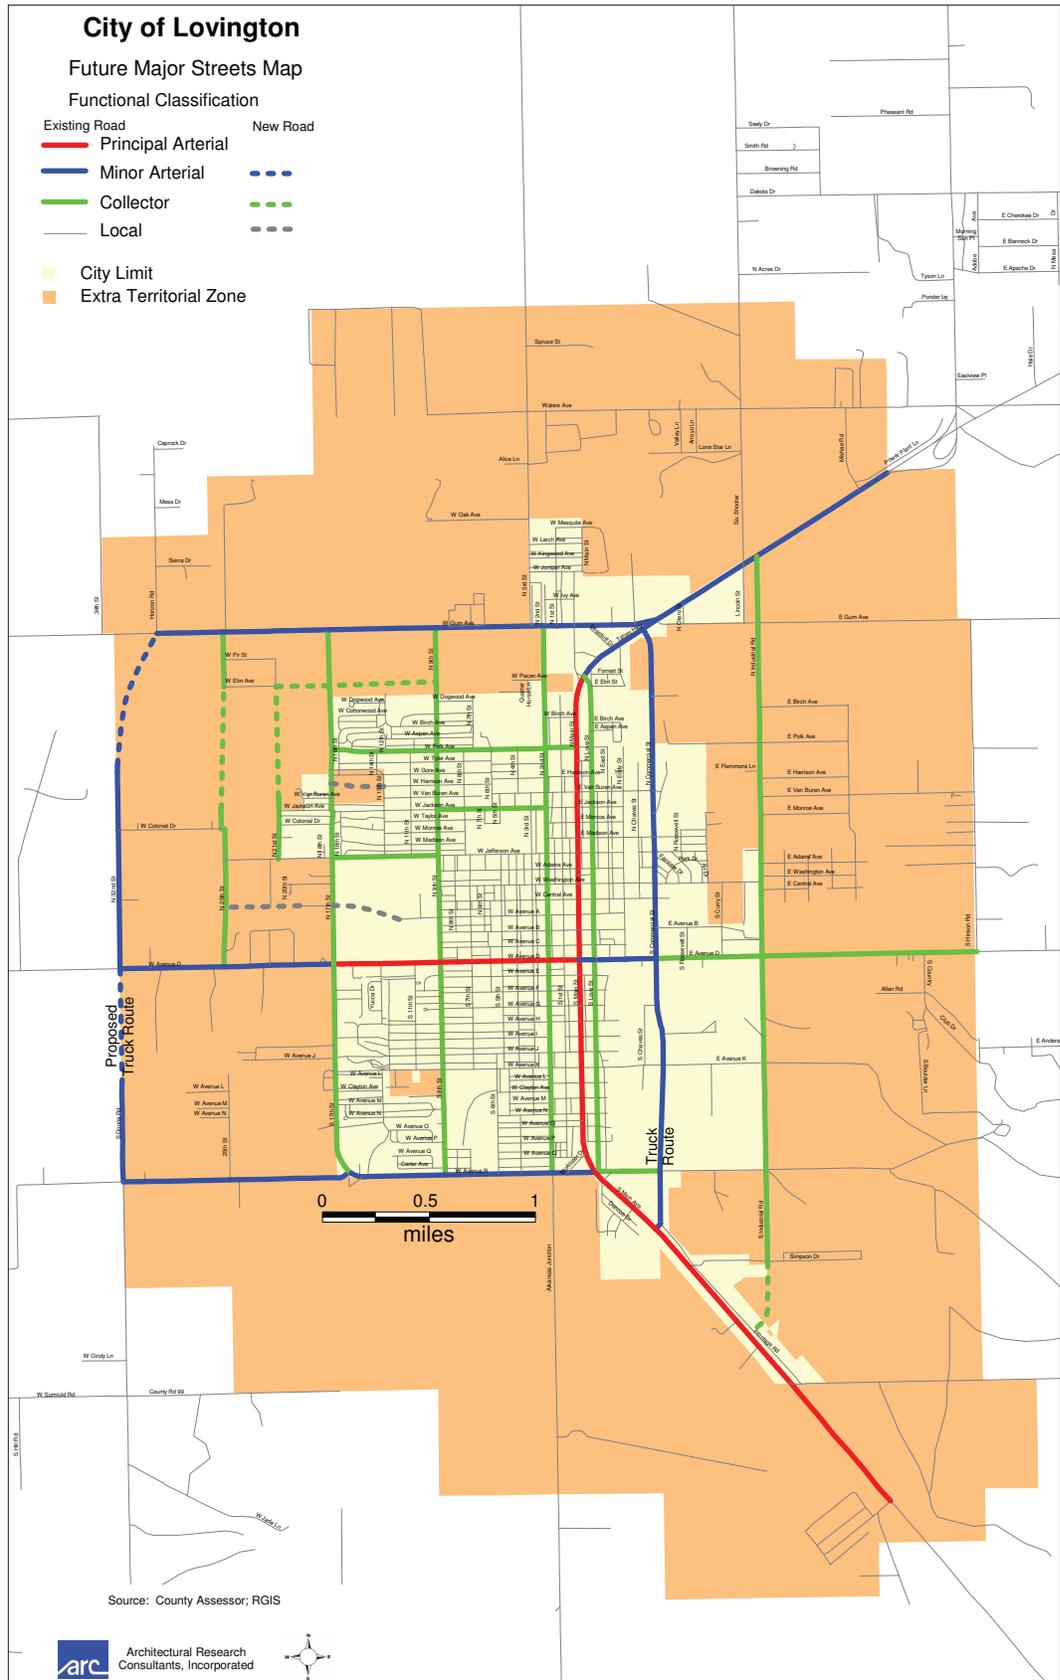

ITEM	ITEM DESCRIPTION	UNIT	UNIT PRICE	USE QUANTITY	AMOUNT TO DATE
1	TYPE "D" HANDICAP RAMP	EACH	\$3,150.00	1	\$3,150.00
2	DETECTABLE WARNING SURFACE COMPLETE IN PLACE	SQ. FT.	\$35.00	11	\$385.00
3	6" CONCRETE FILLET WITH REBAR COMPLETE IN PLACE	SQ. YD.	\$78.00	15	\$1,170.00
4	HOT THERMOPLASTIC PAVEMENT MARKINGS 12"	LIN. FT.	\$15.00	150	\$2,250.00
5	4" SIDEWALK COMPLETE IN PLACE	SQ. YD.	\$70.00	13	\$910.00
<b>Estimated Cost of Improvements- Sub-total Base Bid</b>					<b>\$7,865.00</b>
Subtotal					\$7,865.00
New Mexico Gross Receipts Tax (6.8125%)					\$535.80
<b>Total Estimated Cost for Type "D" Ramp Without Curb &amp; Gutter</b>					<b>\$8,400.80</b>

## Appendix F

# Roadway Classification and Project Map

streets and roadways designated as U.S. highway and state highways. The City of Lovington owns and maintains all other streets.

**Exhibit VI-5**  
 Current Functional  
 Classification of  
 Streets

# Project Map by Priority

- High - State Managed
- High - Local Roadway

Medium - Local Roadway

- Low - State Managed
- Low - Local Roadway
