

NOW HIRING

Are you looking for a new **adventure?**

The Lovington Fire department is looking for an individual to join our team. The department is a dual role firefighting and EMS service that provides professional and quality services to the community of Lovington, NM.

With opportunities to promote and grow with a fire department family. We encourage and help department members in training of hazmat, firefighting, instructor, fire officer, as well as emergency medical technician through **Paramedic**. We strive for our members to be quality leaders in the public service sector.
