PRODUCT DETAILS

8mm x 9in x 60in NuCore Yosemite Oak Rigid Core Luxury Vinyl Plank - Cork Back looks and feels like wood and tile, but can be installed where real wood cannot. With quick and easy installation, it's the perfect flooring option for any room! Even better, the anti-microbial coating on each plank makes it resistant to staining or odors caused by mold or mildew. With a lifetime res./ 20 yr comm. warranty, it's sure to be a long-lasting flooring option for any space.

- 100% waterproof. Install it in virtually any room in the home (kitchens, full bathrooms, and basements). Install up to 6,400 square feet. No need for transition molding
- You can install it right away. Pre-installation acclimation is unnecessary.
- Pre-attached hypoallergenic natural cork underlayment for a quieter, warmer floor.
- Anti-microbial coating on top is naturally resistant to staining and odor-causing mold and mildew.
- Features a floating angle-and-tap installation method. No glue or nails required.
- Can be installed over most existing hard-surface flooring.
- It is recommended to use Sentinel Protect Plus Underlayment for optimal sound absorption and moisture resistance or a standard vapor barrier like 6mil PE Film.
