Pay: \$17.00 per hour

Job description:

Job Overview

We are seeking a skilled and reliable Maintenance Person to join our team. The ideal candidate will possess a strong mechanical knowledge and be adept at performing various maintenance tasks to ensure the functionality and safety of our facilities. This role requires a proactive individual who can effectively maintain and repair equipment while providing excellent customer service.

Job Duties and Responsibilities

- Performs preventive maintenance and makes minor repairs to vehicles and equipment, including washing, servicing, and repairing flats.
- Maintains daily gas and oil records on vehicles; serves as pump attendant.
- Wears PPE as required.
- Performs custodial work in and around city buildings, to include cleaning streets, sidewalks and other public areas, picking up trash, cleaning the Streets Dept property yard and the outside of additional City buildings as instructed.
- Strong mechanical knowledge with hands-on experience in facilities maintenance.
- Proficiency in English for effective communication with team members and clients.
- Experience in customer service, demonstrating the ability to interact positively with clients.
- Familiarity with painting techniques and materials is a plus.
- Complies with all relevant rules and regulations at the federal, state, city, and department level.
- Willingness to learn new skills and adapt to changing work environments.
- Other duties as assigned

Mandatory Qualifications

- High School Diploma or GED
- One (1) year of direct work experience involving construction, maintenance and repair of equipment and facilities
- Experience in the operation and servicing a variety of heavy, medium or light related equipment
- Must have a valid driver's license and maintain a clean driving record
- Class B CDL or the ability to obtain the Class B CDL license within 1 year

- Must be able to successfully pass a physical test, drug screening and criminal background clearance

Join our team as a Maintenance Person where your expertise will contribute significantly to maintaining our facilities' operational excellence!
